Will be glad to have any customers who prefer,  
send orders directly through her.  
Advice on gardening problems also given.

Japanese Iris, Tokio

## FLOWERS FOR THE HARDY GARDEN

Let us send you our complete catalogue of Perennials and Rock Plants or come to the nursery to make your selections from the field. Use the plainly marked road map on the back of this circular.

Our plants are all **FIELD-GROWN**, sturdy and well developed with excellent root systems. Such plants give far more satisfactory results than the pot-grown specimens so often supplied by other nurseries.

We can vouch for the real worth of all our plants, and intend never to include any that are undesirable or mediocre.
